

# Martin Craft

Songwriter/Composer/Producer/Artist

Martin Craft, better known as M. Craft, is not only a prolific artist and composer in his own right, but also songwriter and producer for a variety of other artists. Starting his career on bass guitar and backing vocals in the band Sidewinder formed in his hometown of Canberra Australia, he has gone on to live and work around the world from London to California; most recently settling in Berlin. His critically acclaimed solo album 'Blood Moon' is out on Heavenly Records.
