

Jim Abbiss

Producer / Mixer

Jim Abbiss, one of the UK's leading Music Producers, has worked alongside some of the most successful acts of the past twenty years. From Bjork, Sneaker Pimps, DJ shadow and U.N.K.LE through to Placebo, Kasabian, Bombay Bicycle Club and the Arctic Monkeys, amongst many others. He has carved out his unique and renowned production path globally, working with many different artists and genres. His recent collaborations with Adele, producing tracks on both her multi-million selling, multiple award winning albums '19' and '21', included a Grammy award for his work on the record breaking '21'.
