

Jason Bavanandan

Songwriter/Producer/Musician

Bavanandan is a multi-instrumentalist songwriter and record producer. He emerged to acclaim as the singer and songwriter in celebrated cult band Battle. Following this, he created Whiplash Dreams which premiered as the first ever cinematically-released album. He now writes and produces for and with other artists, and is skilled in crafting across all moods, from the orchestral to the synthetic. His work is characterised by soaring melodies, rhythmic intensity and detailed sound design.
