Songwriter/Producer/Mixer Collective

6Figure Music is a north London based record label and collective of prolific writers, producers and mixers headed up by producer 6ixvi and comprising Mazza, Chris Andoh, and a handful of others – who have been instrumental in shaping the current Grime sound coming out of the UK. All boast impressive individual CV's having collaborated with the likes of Stormzy, Giggs, Skepta, as well as co-writing the viral hit 'Man's Not Hot', and Stormzy's number 1 single Vossi Bop.
