

# Fred Abbott

Writer / Producer / Mixer / Musician

Fred Abbott is a London-based musician/writer/producer best known as lead guitarist and keyboard player in Noah And The Whale. Fred has featured on numerous recordings playing guitar and keyboards, and now writes and produces with a variety of well-known and up and coming acts. Since NATW split Fred has worked with acts including Tom Chaplin, Jamie Lawson, Una Healy, Jeremy Loops, Connie Constance, Lily Moore and many more. He also plays lead guitar in UK American supergroup Orphan Colours, and co-produced the band's debut album released in January 2018.
